

# All About Golden Retrievers

You are going to do a mini research project about Golden Retrievers - the breed of the LCC K-9 Comfort Dogs. You may use articles or text you find in on-line formats. You can also choose to use student appropriate research engines such as Kiddle Encyclopedia, Kidtopia, KidsSearch or Ducksters.

Fill in the graphic organizer with the information you are asked to find. Be sure to cite your sources on the bottom of the final page.

Discuss with your teacher the best way to present this information ~ a paragraph, a short expository essay, a tri-fold brochure, a poster, a short video ... There are so many creative ways to share. Work with your teacher to pick the best option for your finished product and get to work!
