Subject: Thank You for Your Breakout Session  
Midwest Crime Prevention Conference

Dear Nancy, Linda, and your entire wonderful community,

On behalf of the Ohio Crime Prevention Association, I want to personally thank you for your outstanding breakout session at the 2026 Midwest Crime Prevention Conference and for staying during the conference as exhibitor with all your “companions”.

Your presentation on your topic was extremely well received and made a meaningful contribution to the practical, prevention-focused training that defines our conference. Attendees consistently commented on the value of your insights, the relevance of your experience, and the engaging discussion you fostered throughout your session.

As you know, the success of this conference depends on the quality and commitment of professionals like you who are willing to share real-world knowledge with others in the field. Your willingness to invest the time and preparation required to deliver such a high-caliber presentation directly benefits crime prevention practitioners across Ohio and the broader region.

Beyond the session itself, your participation helped elevate the overall professionalism and impact of the conference. Feedback from attendees confirms that your contribution will have lasting value as they apply what they learned in their respective communities.

Thank you again for your professionalism, your expertise, and your continued commitment to advancing effective crime prevention.

Respectfully,  
Dan Katt  
Conference Co-Chair  
Ohio Crime Prevention Association
